

ACE PNEUMATICS PVT. LTD.

# ACE 30 LUBRICATOR

## Construction Tools / Air Tools

Using a quality lubricant is essential for optimal performance of pneumatic tools. It minimizes wear, lowers maintenance requirements, boosts productivity, and enhances overall cost-efficiency. ACE provides oil bottles (lubricators) to guarantee proper lubrication for all compressed air-powered machinery.

- Accurate oil flow regulation
- Durable, adaptable construction
- Extends equipment lifespan and performance

ACE 30 is specifically recommended for pneumatic breakers and rock drills using mineral oil.
