

ACE PNEUMATICS PVT. LTD.

DTH HAMMER

Construction Tools / Air Tools

The **ACE 400 DTH Hammer** by Ace Pneumatics delivers powerful impacts with minimal energy loss for efficient rock breakage. Designed for hard and abrasive rocks, it operates at 10-24 bars with an advanced shank for maximum energy transfer. Built for durability, it features heavy-duty, reversible castings for extended life and faster drilling. Equivalent to Sandvik M4 DTH hammer.
