# PUSHERLEG

## Construction Tools / Air Tools

**ACE S250 pusher leg**, also called "Empujador Perforadora" in Spanish, is a durable and efficient support designed specifically for the ACE S250s jackleg drill. Constructed from high-strength aluminum alloys originally developed for aircraft. For added convenience, the feed controls are ergonomically positioned on the pusher leg to enhance operator comfort. ACE S250 Pneumatic pusher leg Parts interchangeable with Boart Longyear A755A pusher leg.

### TECHNICAL SPECIFICATION:-

Model	Metric	Imperial
Weight	13.6Kg	30lb
